Your Ceremony

We offer several beautiful spaces that can accommodate your in-house ceremony and reception needs. You can choose to have your ceremony take place in our drawing room, which can seat up to 30 guests with additional standing room for others. Alternatively, if the weather permits, you can opt for an outdoor ceremony in our charming rose gardens.

For a more picturesque setting, we also have other options such as our patio overlooking Camus Bay or our private pier by the water's edge. You have the flexibility to personalize your ceremony by hiring your own florist and musicians. Consider adding a flower arch, centerpieces or some music to add a personal touch to your special day.

Whether you prefer an indoor or outdoor reception, we can arrange for drinks to be served in your preferred location.

There is also a Catholic church a very short distance away from the house for those looking for a Catholic ceremony.
